Date: 12-03-2026

Dear Sir / Madam,

**Sub: An Appeal for Donation towards Construction of
Swarna Rashmi Skill Development Training Institute, Bengaluru-Reg.**

Swarna Rashmi Pratishtana (R), Bengaluru, is a registered non-profit Charitable Trust functioning under the divine guidance of Sri Srimad Gangadharendra Saraswati Swamiji of Sri Sonda Swarnavalli Maha Samsthana, Sirsi, who is the Honorary President of the Trust.

The Trust is dedicated to the empowerment of economically underprivileged youth by providing structured and value-based training in emerging technological fields such as Artificial Intelligence, Machine Learning, Cybersecurity, FinTech and related areas, along with essential soft skills. Our vision is to equip young minds with practical technical knowledge and ethical grounding so that they can secure livelihoods with self-respect and dignity, while contributing meaningfully to nation building.

In addition to technology-oriented training, the Trust proposes to extend vocational and skill development programs specifically for underprivileged girl students from rural and economically weaker sections. To support this initiative, we are also planning to establish a hostel facility within the proposed institute building so that girls from remote areas can access these opportunities.

Over the last three years, our Trust has been conducting awareness and training programs on civil services examinations in rural areas of Uttara Kannada district. During the current year, we are providing training to over one hundred secondary school students in Sirsi and surrounding villages. This initiative is a humble effort to sow the seeds of healthy competition and inculcate values such as nationalism, service, personal integrity, and ethical conduct during the formative years of young students.

To expand these activities and reach out a larger number of deserving students, we have undertaken the construction of **Swarna Rashmi Skill Development Training Institute** at our site in MPM Layout, Near Nagarabhavi Ring Road, Bengaluru. The proposed building will consist of Basement + Three Floors, with an estimated project cost of Rs. 3 Crore (Rupees Three Crores only).

We sincerely appeal to your esteemed organization to consider supporting this noble initiative through philanthropic contributions or CSR funding. Your generous support will help create life-changing opportunities for underprivileged youth—especially young women—by providing them access to modern skill development and education that can transform their future.

We would be honored to present a detailed project proposal and interact with the concerned officials of your organization at a time convenient to you.

We look forward to your kind consideration and support in this meaningful endeavor.
